

display and visual merchandising pdf

Visual merchandising is the practice in the retail industry of developing floor plans and three-dimensional displays in order to maximize sales.. Both goods and services can be displayed to highlight their features and benefits. The purpose of such visual merchandising is to attract, engage, and motivate the customer towards making a purchase.

Un display publicitario es un elemento publicitario de relativamente pequeño tamaño que se coloca sobre el mostrador, en el escaparate o sobre anaqueles en el punto de venta. El display encuentra, pues, su espacio natural en el comercio minorista: farmacias, relojerías, tiendas de confección, para obtener un incremento en las ventas y posicionar en el mercado algún producto al mejorar su ...
