### **[PDF] Summary Dotcom Secrets Russell Brunson The**

My central issue with Dotcom Secrets is that it leaves you with the sense that the primary goal in business isn't to provide people with a product or service that is actually helpful. Rather, it seems like the thing that Russell finds most exciting is that he can use psychology to manipulate people into giving him money.

**THE SECRET FORMULA** The secret formula consists of four simple questions. These are the same four questions that I ask anyone who hires me for personal consultations. At the time of writing, companies pay me twenty-five thousand dollars per day to help them understand and implement this formula and the funnels and scripts inside of this book.
