Friedrich August von Hayek was born in Vienna to August von Hayek and Felicitas Hayek (née von Juraschek). Friedrich's father, from whom he received his middle name, was born in 1871, also in Vienna. He was a medical doctor employed by the municipal ministry of health, with a passion for botany, about which he wrote a number of monographs. August von Hayek was also a part-time botany lecturer ...

Personification is a figurative language technique where an object or idea is given human characteristics or qualities. In other words, using our language, we make an object or idea do something that usually is only done by people. With personification speakers and writers make the object or idea like a person and, hence, they personify it.
