

**globalization a basic text pdf**

Whether you are trying to launch a multilingual website to expand your products and services into new global markets or increase your company's global operational efficiencies by developing multilingual extranets and intranets, website globalization is a requirement to make either a reality.

**12 Steps to Website Globalization**

Over the past 20 years or so India, China, and the rest of East Asia, experienced fast economic growth and falls in the poverty rate, Latin America stagnated, the former Soviet Union, Central and Eastern Europe, and sub-Saharan Africa regressed.
