THE EVOLUTION OF MONEY

Money is now given value by a government fiat or decree. In other words, enforceable legal tender laws were

made. By law, the refusal of "legal tender" money in favor of some other form of payment is illegal.

The History of the Man-Made Invention of Money - ThoughtCo

Money, in and of itself, is nothing. It can be a shell, a metal coin, or a piece of paper with a historic image on it, but the value that people place on it has nothing to do with the physical value of the money. Money derives its value by being a medium of exchange, a unit of measurement and a storehouse for wealth.

The History Of Money: From Barter To Banknotes

Paper Money. In the Middle Ages, the keeping of values with goldsmiths, persons trading with gold and silver items, was common. The goldsmith, as a guaranty, delivered a receipt. With time, these receipts came to be used to make payments, circulating from hand to hand, giving origin to paper money.

Money allows an individual to trade what he has for what he needs or wants. What is considered to be Money has varied over the ages and has included diverse items.

A brief history of Money â€“ Humaniq

This book is a good read! it gives you historical insight on money and allows you to put money into all of history. You also learn the history of money (shocker, I know) and its origins. I would say this book is money and time well spent! I only have one complaint and this is major for me personally. It does feel a little like a textbook.
