

### **history of africa kevin pdf**

The history of Africa begins with the emergence of hominids, archaic humans and “ around 5.6 to 7.5 million years ago “ anatomically modern humans (Homo sapiens), in East Africa, and continues unbroken into the present as a patchwork of diverse and politically developing nation states. The earliest known recorded history arose in the Kingdom of Kush, and later in Ancient Egypt, the Sahel ...

### **History of Africa - Wikipedia**

Africa has the world's oldest record of human technological achievement: the oldest stone tools in the world have been found in eastern Africa, and later evidence for tool production by our hominin ancestors has been found across Sub-Saharan Africa. The history of science and technology in Africa since then has, however, received relatively little attention compared to other regions of the ...
