Judicial Discipline Reform. A study of judges' unaccountability and consequent riskless wrongdoing; how to expose it and bring about judicial reform

Judicial Discipline Reform – A study of judges

Good governance is an indeterminate term used in the international development literature to describe how public institutions conduct public affairs and manage public resources. Governance is "the process of decision-making and the process by which decisions are implemented (or not implemented)". The term governance can apply to corporate, international, national, local governance or to the ...

The Foundation for Courts and the Making of Public Policy

In common law legal systems, a precedent, or authority, is a principle or rule established in a previous legal case that is either binding on or persuasive for a court or other tribunal when deciding subsequent cases with similar issues or facts. Common law legal systems place great value on deciding cases according to consistent principled rules so that similar facts will yield similar and ...
