

oxford word list 3000 pdf

The Oxford 3000 (dictionary v. adj. n. adv.)

The Oxford 3000 - Smartcom English Center

Historical nature. As a historical dictionary, the Oxford English Dictionary explains words by showing their development rather than merely their present-day usages. Therefore, it shows definitions in the order that the sense of the word began being used, including word meanings which are no longer used.

Starting in at least 1996, and maybe earlier, the University of New Hampshire has had a service to allow students, faculty, and staff to have a personal home page. Pubpages was the home of many a student homework assignment along with personal sites from faculty and staff about their research work, teaching, and personal interests.
