3 And that is something that I must say to my people who stand on the worn threshold which leads into the palace of justice. In the process of gaining our rightful place

I HAVE A DREAM - National Archives

The term composition (from Latin com-"with" and ponere "to place"), in written language, refers to the body of important features established by the author in their creation of literature. Composition relates to narrative works of literature, but also relates to essays, biographies, and other works established in the field of rhetoric.
