Youth in Revolt: The Journals of Nick Twisp is a 1993 epistolary novel by C. D. Payne. The story is told in a picaresque fashion and makes heavy use of black humor and camp. The book contains parts one through three of a six-part series (the three sequential parts were published as three separate books).

The New York Slave Revolt of 1712 was an uprising in New York City, in the British Province of New York, of 23 enslaved Africans. They killed nine whites and injured another six before they were stopped. More than three times that number of blacks, 70, were arrested and jailed. Of these, 27 were put on trial, and 21 convicted and executed.

Desalination, like other major industrial processes, has environmental impacts that must be understood and mitigated. A new report from the Pacific Institute examines effects on the marine environment associated with the construction and long-term operation of seawater desalination plants, including withdrawing water from the ocean and discharging the highly concentrated brine.
