While most CIOs and other IT leaders have long recognized the need to modernize, they have often lacked the funding and framework to do so. The newly published Federal CIO Playbook: IT Modernization helps to fill this void. With this playbook, Accenture Federal Services aims to arm agencies with recommendations for where to start, outlines some of the most effective ways to modernize federal ...

From a macro and asset allocation perspective, we think we may be on the cusp of a secular shift where a new playbook for investing may be required. Most importantly, we now see a significant "baton hand-off"™ in many of the markets that we cover from monetary policy towards fiscal stimulus " perhaps the most important shift in the last decade.
